

OFFICE OF

THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.

W. J. CHEYNEY, GENERAL MANAGER.

I. W. McELWEE, ASST. TREAS. & REC.

Philadelphia, 5/20 1892

My dear Sam,

I am this morn'g in receipt of yr. letg. of
yesty and have writt you in reply - Under
your last mine report am unwilling to make
offer for stock - remembering that this goes thro'
the P.C. office; and in looking over my last to you,
in connection with your letter of 5th, I do not see
that I can add much important. I have no further
information about Haber Co. but hope to know more
after to-morrow's hearing. Should I not get to
see you before you have to go into June work, you
understand I have no wish to press the work that
would be beyond the retention of such of the force as
you feel you want to keep on their your grasp for fu-
ture use. Perhaps June 1st will come you as a good
time to get rid of any undesirable material now
on the mine force. I will (S. V.) see you in July at latest.
I think you might say to the Quincy atty. in explanation
of yr. letter to him, that I had suggested that, in
view of the death of Mr. Dolly the family might not
wish to continue the assessments on the stock &
that I had said I would take it off their hands and pay

23/02/59
them the amt of assessments paid by Mr D.
under our administration. This I will do
at any time - before another assessment is
levied, on reasonable notice. Only don't
draw on me for the amount without
communicating with me first.

Your aunt Edith has had a severe cold pain-
ing continuous cough and great weakness.
She is in bed with it but a little better
this morn. She is so very weak at best of times.
Anna has had a bad cold and the numer-
ous children of the family furnish al-
most continual little ailments, but on
the average they are in pretty good shape.
I will communicate with you by wire
regarding my time of leaving here, so
that you can wire or write me as the time
may demand - and you three brothers will
explain the causes of delay.
Ever affly yrs W J Sturtevant
